

The Voice

I have seen you love.
I have seen you hate.
I can give up on you,
and seal your fate.
I can give you pleasure.
I can give you pain.
I can give you release,
or drive you insane.

I have seen the living.
I have seen the dead.
I have been in your body.
I have been in your head.

I have seen you asleep.
I have been in your dreams.
I know more about you,
than you do, it seems.

I hear when you listen.
I have heard what you say.
I see from the inside
of your mind, in the day.

But, at night, I am closer
than you would ever suspect,
because I am inside you;
deeper than you would expect.

So if you dig deeper,
you'll find what you need,
but to cleanse your wounds,
I'll let you bleed.

Here are your eyes,
because, you see,
when they are open,
you are me
